Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 12 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with some rain tonight. Showers tomorrow.

This Evening and Tonight:
Any showers will soon clear away this evening. It will then turn increasingly cloudy from the southwest overnight with a risk of patchy rain across much of the region by dawn. Minimum temperature 6 deg C (43 deg F).

Thursday:
A wet start for most with the rain easing by the afternoon. However, the afternoon will see scattered showers develop and these may become heavy later in the afternoon. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
Cloudy and scattered showers after a dry start on Friday. A band of heavy rain breaking up into showers on Saturday, followed by sunshine and showers on Sunday. Light winds.
